### LUAU PREPARATION

A big MAHALO! to Bradda and Fay (Fergerstrom) Lindsey who have offered to do the food preparation for our reunion. Their family also did the luau preparation for our last reunion....

As part of the planning process, we have had several family members (who have not experienced it for many years, or at all) ask about watching / helping with the imu .... So for those of you who are adventurous – you are invited to the imu preparation on **Saturday, June 23, 2007 at 6:00am**, and then to take the kalua out of the imu later that afternoon, around 2:00pm. Directions and more specific times will be given on Friday night.

More on this to follow in our next bulletin !
